

Preface

The Tenth Edition of Indiana Criminal Trial Law was prepared by Jack Kenney and Suzy St. John and is updated through February 2022. We offer the reader a systematic and comprehensive analysis of issues in criminal trials. Within these pages you will find a good starting point for research and quick citations to legal authority for an objection.

Responsibility for final editing lies with me. If you happen upon any errors or omissions, please direct them to my attention at the Indiana Public Defender Council.

The Indiana Public Defender Council and the authors disclaim all responsibility or liability, which anyone may assert, or claim arising from or claim to have arisen from reliance upon any, and all material set forth in this manual.
