**ACCUSED’S MOTION FOR ORDER DIRECTING THE PARTIES TO
IDENTIFY, MARK AND PRE-ADMIT ALL NON-CONTESTED EXHIBITS
IN ADVANCE OF TRIAL**

Comes now the Accused and moves the Court for an Order directing the parties to disclose all trial exhibits, to determine which exhibits will be admitted at trial without objection, to mark the same, and file an index identifying them by item and exhibit number or letter and a further Order admitting the same prior to trial, and in support thereof says:

1. That the identification of exhibits which the parties will offer without objection, marking the same and admitting them prior to trial is a valuable saving of the Court’s time, the parties’ efforts and jury focus.
2. That the action would not prevent additional exhibits from being entered at trial upon a showing of necessity.
